

## Student Symposium Registration

Effective: October 19, 2013

Approved by: Kathy S. Thumma, BSN, RN, NE-BC

In order to receive the student rate for program registration, the attendee **MUST** show proof of **full-time** student status at the time of registration. Full-time status is 12 or more credits per semester. In order to provide evidence of the full-time status, students must obtain a current class schedule and mail to the current TSSCVPR President at the time of registration. Registrations completed on-line will also require proof of student status mailed to the TSSCVPR President. Walk-in registrations will be accepted provided proof of current student status is available.
